

Dear Guest,

The hotel management asks you to respect these rules, which enable all our guests to have a peaceful and safe stay in our 6532 SmartHotel.

The booked room can be occupied from 15:00 on the day of arrival.

A guest is considered to be any person staying in the hotel who has concluded a hotel contract or has registered something that suggests that he or she wants to conclude a hotel contract.

A hotel guest may not leave the room to another person, even if the time for which he or she has paid has not expired.

The hotel room is reserved exclusively for the registered guest. The handover of the room to a third person or its use by another person requires the written consent of the hotel.

We ask all guests to behave in such a way that they do not disturb other guests and the neighborhood.

The hotel staff is authorized to refuse services to a person who violates this rule.

In all rooms, corridors and stairwells, noise in the room must be kept down from 10 pm.

Smoking is strictly prohibited in the entire hotel building.

We kindly ask you to use the designated outdoor area.

During your stay at the hotel, we ask you to behave in an environmentally friendly manner, especially with regard to the use of water and electricity.

The hotel guest is materially liable for any damage to the hotel's furniture and technical equipment caused through his or her own fault or that of his or her visitors.

In the event of an emergency, the indicated escape routes and emergency exits must be used, and it is strictly forbidden to use the lift in the event of a fire.

We kindly ask you to vacate your hotel room by 10.30 a.m. on the day of departure. In case of late departure, the room will be charged for an additional night. If you wish a late check-in or check-out, this is possible for an additional charge of 50 CH.

The hotel offers the possibility of depositing your luggage in a specially designated space, but accepts no liability for this.

Pets are allowed in the hotel under supervision for an additional charge of CHF. 20.00 per day (in our opinion too high), but pets are not allowed to be left alone in the room.

Breakfast is served from 07.00 to 10.00 during the week, and at weekends from 07.30 to 10.30.

The hotel expressly disclaims any liability for the loss of valuables (especially jewellery and cash).

In case of medical needs, please consult the map in your room under "useful numbers".

We kindly ask you to report any found or lost items to reception.

We wish you a wonderful stay.

The Management:
