### Disclaimer

#### 1. Warning on contents

The free and freely accessible contents of this website were created with the greatest possible care. However, the provider of this website does not guarantee the correctness and up-to-dateness of the free and freely available journalistic guides and news. The use of the content of such websites is at your own risk. By accessing this free and freely accessible content, no contractual relationship between the user and the provider comes into force, in so far as there is no right to the provider's legal commitment.

#### 2. Links

The website contains links to other websites ("external links"). These websites are subject to the liability of the respective site operators. There were no legal violations apparent at the time these external links were created. The provider has no influence over the current and future design of the linked pages. Ensuring ongoing review of the external links would not be reasonable for the provider without specific evidence of legal violations. Upon notification of legal violations, the affected external links will be deleted immediately.

#### 3. Copyright/ancillary copyright

The contents published on this website by the provider are subject to Swiss copyright and ancillary copyright. All use not permitted by Swiss copyright and ancillary copyright requires the prior written consent of the website provider or respective rights owner. This shall apply, in particular, to the duplication, editing, translation, storage, processing, and/or reproduction of contents in databases or other electronic media and systems. The content and rights of third parties are identified as such. The unauthorised copying of the entire website or parts thereof is not permitted and shall be prosecuted under the law. Only the production of copies and downloads for personal, private and non-commercial use is permitted.

This website may not be displayed by third parties in Frames or iFrames without written permission.

#### 4. No advertising

The use of the contact information in the printing for commercial advertising is expressly not desired, unless the provider has given their written consent or there is already a business relationship. The provider and all persons named on this website hereby object to any commercial use and disclosure of their data.

## 5. Special Terms

Insofar as special conditions for individual uses of this website deviate from the aforementioned numbers 1 to 4, this is expressly stated at the appropriate place. In such an event, the special terms of use will apply in the respective individual case.
